Gallery Information for Applicants

ARATI ARTISTS GALLERY, INC. began as a group of 15 local artists in 1977, in the rejuvenated neighborhood of Colorado Springs called Old Colorado City. Over the years we have grown and incorporated to protect the liability of the organization and each individual member.

We have learned that our success is based on each member's continuing artistic growth and participation in all aspects of this business. Our congeniality and willingness to go that extra mile for each other are our strengths. In addition to staffing the Gallery three to four shifts a month, members are required to attend meetings (generally on the third Monday of each month at 8:30 a.m.), to serve on various committees and in official positions, and all are encouraged to attend receptions sponsored by individual artists or the Gallery.

Financial obligations include a \$57 monthly fee, a \$50 one-time joining fee, and a \$50 one-time corporation share purchase, which is refundable upon termination of membership. New members are encouraged to have a page on the ARATI ARTISTS GALLERY website. Each artist submits his/her files to the webmaster and pays the going rate for representation on the website. If desired, the initial membership fees and webpage fees may be spread over a three-month period. ARATI ARTISTS GALLERY will retain a 25% commission on all artwork sold. ARATI offers the public a low pressure, gracious gallery-setting that specializes in affordable, original art.
